

Request to Continue in Ph.D. Program Post-MA

Per the Department of Sociology's MA-Ph.D. Requirements, all students must formally request to continue on to the Ph.D. program after successfully defending their MA thesis.

If you request to continue to the Ph.D., your committee will evaluate your request in light of the quality of the Thesis, performance in coursework, timely progress toward the degree, and other relevant information. Each committee member will submit their recommendations to the Graduate Committee at the time of the Thesis Defense.

Name: _____

Date: _____

_____ I wish to be evaluated for continuation to the Ph.D.

_____ I do NOT wish to be evaluated for continuation in the Ph.D. program.
