

University of New Mexico
Sociology Major/Minor Course Checklist

The sociology major requires **34** credit hours, the second major requires **28** hours, and the minor requires **21** hours.

Grade Point Average: A cumulative GPA of 2.0 (C) is required for admission to and graduation from the sociology major.

Prerequisites: Core (bolded) courses must be taken in the order listed. Courses taken as CR/NC do not count toward the major, second major, or minor.

Concentrations: Students *may* select from a list designated courses that provide a concentration in Pre-Law or Human Services and Social Policy. Requirements are listed on page 2 of this document. Concentrations are possible for Majors, Second Majors, and Minors.

Concentration in Human Services and Social Policy

The concentration is designed for students interested in pursuing a graduate degree or a career in human services, social work, social policy, health care, mental health, or education (K-12 and post-secondary). The concentration aims to provide broad thematic coverage of these fields by drawing upon elective courses that address topics critical to understanding the context within which welfare, health, mental health, and educational institutions operate, including social problems, race/ethnic relations, and socio-economic inequality. Students must complete 12 hours from the courses listed below. (Note: 9 of these hours must be selected from the 300/400 level courses listed below.)

SOCI 2310	Contemporary Social Problems
SOCI 2315	The Dynamics of Prejudice
